## Dear Junior Golf Camp Parents,

In preparation of attending the 2016 Junior Golf Camp at Applecross Country Club, I would like to provide you with some important information that should offer answers to frequently asked questions and help to make golf camp an enjoyable experience for both you and your children. Please read this letter carefully as some information has changed from past seasons.

**Golf Camp arrival and pickup information...** Please remember to always connect with an instructor or counselor at both arrival and pickup. You must sign your child in and out each day as it helps to maintain accurate attendance records and ensure each camper's safety.

- **Camp Arrival:** Drop-off has changed for the 2016 season. All campers are to arrive promptly at their designated times and locations in order to have campers signed-in by parents and get prepared for each day. Campers requiring before care should arrive at the Learning Center (LC) up at the driving range no earlier than 8:00am. Regularly scheduled campers are to arrive at the Applecross Clubhouse Pavilion between 8:50-9:00am. All campers will meet in the Pavilion at 9:00am located at the rear of the building (behind Tregos) with all their belongings. The LC and Pavilion address is: 170 Zynn Road, Downingtown, PA 19335. Please do not drop off any camper prior to the scheduled times without prior authorization as there is often much activity around the golf course and staff may not arrive at the LC or Pavilion before the necessary times. Regularly scheduled campers that need to arrive prior to 8:50am must get prior approval and will be charged for before care - the \$9 before care fee may be automatically charged to your credit card if not paid at drop-off.
- **Camp Pickup:** Campers will be picked up from different areas around the Pulte Welcome Center (WC) depending on the time of day and as weather dictates. The WC address is: 125 Bolero Drive, Downingtown, PA 19335.
  - **Half Day** – Campers and their belongings will be picked up from the WC patio to the rear of the building or inside due to weather. Please arrive promptly for pickup by 12:00pm. Any Half Day camper picked up after 12:10pm will be charged for our “Lunch Hour Bonus” time that day – the \$7 fee may be automatically charged to your card if not paid at pickup (you won't be charged if the campers have not returned by 12:10pm).
  - **Full Day** – Campers are to be picked up at the pool entrance located to the right side of the fitness building near the tennis courts or inside the WC due to weather. Please arrive promptly for pickup by 4:00pm. Any Full Day camper picked up after 4:10pm will be charged for after care that day - the \$11 fee may be automatically charged to your credit card if not paid at pickup (you won't be charged if the campers have not returned by 4:10pm). Also, you must let us know if you plan to pick up your camper any time before 4:00pm by noting the time in the comment section of the check-in/ check-out sheet. Please try not to pick up full day campers prior to 3:00pm as this may cause a disruption to planned activities for the entire group. If pickup prior to 3pm cannot be avoided you will need to coordinate a time and place for pickup with an instructor when you arrive in the morning.
  - **After Care** – Campers are to be picked up at the pool entrance located to the right side of the fitness building near the tennis courts or inside the WC due to weather. Please arrive promptly for pickup by 5:30pm. Any camper picked up after 5:30pm will be charged \$5 for every 10 minutes late after that time - the \$5 fee per every 10 minutes may be automatically charged to your credit card if not paid at pickup.

## What to wear to Golf Camp...

- **Proper Golf Attire:** Applecross Country Club requires proper golf attire to be worn on the course, on the range, and at the Learning Center while participating in all golf activities! Boys must wear a collared shirt tucked in. Sneakers are acceptable footwear. Please, absolutely NO t-shirts, tank tops, jeans, gym or cargo shorts (external pockets) are permitted on the course or practice facilities!
- **Sunblock:** Please apply sunblock before camp each day even if it is overcast. Sunblock may be kept in your camper's golf bag and applied as needed throughout the day. Full day campers may reapply sunblock at lunch time and again at the pool if it is kept in their swim bag. It is their responsibility!
- **Rain Gear / Change of Clothes:** Golf is an outdoor sport and may be played in the elements. Camp will go on rain or shine! It is possible campers may experience playing in light rain at times, so please be prepared. Campers will not continue to practice outside if it becomes a heavy downpour and/ or lightning occurs. We advise packing light weight rain gear or an extra change of clothes in their golf bags if it is raining in the morning or if rain is forecasted for that day. There is always a chance of that unexpected passing summer shower so rain gear or a change of clothes is always good to keep in the golf bag just in case.

### Things to bring to Golf Camp...

- **Golf Clubs:** If your child has their own golf clubs, he/ she should bring them to camp each day. Clubs will not be stored at the facility overnight. If your child does not have clubs, the appropriate size golf clubs will be provided for their use during camp each day. Also, if you do not own clubs, please do not go and purchase clubs prior to camp. Most brands of clubs available at the large chain stores are too heavy for the average junior golfer. If you later decide to purchase clubs, our experienced staff can guide you in choosing the best length and weight of clubs for your child.
- **Water Bottles:** It is recommended that all campers have their own water bottle in order to stay properly hydrated during the day. Please make sure his/her full name is written clearly on the bottle. Water bottles can be refilled throughout the day. If you forget one, water is available at various water coolers around the facility when needed.
- **Lunch/ snacks:** Lunch can either be brought in an insulated lunch bag labeled with the campers name or an Applecross Lunch Box may be purchased in advance at the time of registration. Refreshments may also be purchased at the Pool House Snack Bar during lunch between 12-1pm and in the afternoon from 3-4pm only. **IMPORTANT:** We ask that you not rely on the Pool House Snack Bar to purchase lunch each day as the pool's volume can dictate the amount of time it takes to order and receive food so possibly limiting the time to eat. Also, the Snack Bar opens daily at noon but it may not open during inclement weather and we will not have extra lunches available. Therefore, if rain is forecasted that day and you opted not to purchase the Lunch Box in advance you must pack a lunch. Full & Half Day campers should also consider packing each day an extra non-perishable snack (ex: crackers or energy bar) to keep in their golf bag that they may eat any time.
- **Additional Belongings:** Campers who bring an insulated lunch bag, bag with a swimsuit/towel/sunblock for the pool, electronic game or anything other than their golf bag may leave these items in the activity room at the Pulte Welcome/Sales Center during the day. Items will not be supervised.

### Other things to know about Golf Camp...

- Each day and each week of camp offers a different and unique golf experience. Camp activities change daily from morning to afternoon as well as week to week and are determined by weather (excessive heat or summer storms) and golf course availability (tee times, tournaments, maintenance, etc.). Therefore, we cannot guarantee a specific amount of time or number of times campers will be able to experience practice on the course on any given day or any given week. Full day campers will naturally have more opportunity to experience on course practice.
- The person with your child at pickup may not be the person who was with your child during the day and hence may not know their progress. Progress cannot always be measured after just a day or two and if they say they did nothing please do not assume that is true. If you wish to know your child's true progress you may call Eric MacCluen and he will find out.
- All campers (both members & non-members) must stay together in their designated groups for the day and are not permitted to roam about the facilities on their own for any reason. Full Day campers will sometimes have the opportunity to choose the afternoon activity and the majority rules. Therefore, if most of the Full Day campers want to get out of the heat at 3:00pm and watch a movie or play games in the WC then they all will need to go inside or if it's decided to enjoy the outdoor pool in the afternoon that day and your child does not wish to swim they must still remain with the counselor on the pool deck at all times. Further, campers may not return to the locker rooms once they have entered the pool area until it is time to dress. Campers may lock personal items in a locker with a refundable quarter but they must bring any money for the snack bar with them. Also note, the indoor pull is off-limits at all times to campers for their safety as no life-guard is on duty.
