Dear Little Linkster Golf Camp Parents,

In preparation of attending the 2017 Little Linkster Golf Camp at Applecross Country Club, I would like to provide you with some important information that will offer answers to frequently asked questions and help make golf camp an enjoyable experience for everyone. Please carefully read this letter in its entirety as information has changed from past seasons with the building of Applecross's new clubhouse. We also ask that you retain this camp information letter for future reference.

Golf Camp arrival and pickup information... Campers must arrive and depart promptly at the designated time and location. We ask that you always connect with a CAMP staff member at both arrival and departure as drop-off and pick-up locations are subject to change due to golf outings, weather, etc. You must also sign your child in and out each day for it allows staff to communicate any changes, help maintain accurate attendance records and ensure each camper's safety.

- **Camp Arrival:** Linksters are to arrive promptly at the Learning Center (LC) in order to have campers signed-in by parents and get prepared for each day. Linksters should arrive at the Learning Center (LC) up at the driving range between 9:20-9:30am. **The LC address is: 170 Zynn Road, Downingtown, PA 19335.** We do not offer before or after care for Little Linkster Golf Camp. Please do not drop off any camper prior to 9:20am even if you have an older child participating in our Jr. Golf Camp as there is often much activity around the golf course and the necessary camp staff for Linksters may not arrive at the LC before that time.
- **Camp Pickup:** Little Linksters will be picked up from the LC up at the driving range; the same location as drop-off. Please arrive promptly for pickup by 11:30am. Any camper picked up after 11:30am will be charged \$5 for every 10 minutes late after that time - the \$5 fee per every 10 minutes may be automatically charged to your credit card if not paid at pickup.

What to wear to Golf Camp...

- **Proper Golf Attire:** Applecross Country Club requires proper golf attire to be worn on the course, on the range, and at the Learning Center while participating in all golf activities! Boys must wear a collared shirt tucked in. Sneakers are acceptable footwear. Please, absolutely NO t-shirts, tank tops, jeans, gym or cargo shorts (external pockets) are permitted on the course or practice facilities!
- **Sunblock:** Please apply sunblock before camp each day even if it is overcast. Sunblock should be performed during the 2 hour camp time frame and should not need to be reapplied.
- **Rain Gear / Change of Clothes:** Golf is an outdoor sport and may be played in the elements. Camp will go on rain or shine! At times it is possible campers may experience playing in light rain. We advise packing light weight rain gear or an extra change of clothes in their golf bag as there is always a chance of that unexpected passing summer shower. Campers will not continue to practice outside if it becomes a heavy downpour and/ or lightning occurs.

Things to bring to Golf Camp...

- **Golf Clubs:** If your child has their own golf clubs, he/ she should bring them to camp each day. Clubs will not be stored at the facility overnight. If your child does not have clubs, the appropriate size golf clubs will be provided for their use during camp each day. Also, if you do not own clubs, please do not go and purchase clubs prior to camp. Most brands of clubs available at the large chain stores are too heavy for the average junior golfer. If you later decide to purchase clubs, our experienced staff can guide you in choosing the best length and weight of clubs for your child.
- **Water Bottles:** It is recommended that all campers have their own water bottle in order to stay properly hydrated during the day. Please make sure his/her full name is written clearly on the bottle. Water bottles can be refilled if necessary. If you forget one, water is available at various water coolers around the facility when needed.
- **Snacks:** Campers should also consider packing each day an extra non-perishable snack (ex: crackers or energy bar) to keep in their golf bag that they may eat any time.

Other things to know about Golf Camp...

- Each day and each week of camp offers a different and unique golf experience. Camp activities change daily as well as week to week and are determined by weather (excessive heat or summer storms) and the facility's availability (tee times, tournaments, course maintenance, etc.). Therefore, Linksters will spend different amounts of time at the different practice areas around the facility on any given day or any given week.
- Progress cannot always be measured after just one or two days and if your child says that they did nothing please do not assume that is true. If you wish to know your child's true progress you may ask the instructor at pickup or call Eric MacCluen and he will find out.
- All campers (both members & non-members) must stay together in their designated groups for the day and are not permitted to roam about the facilities on their own for any reason.

If you have questions pertaining to golf camp registration or you need a receipt for tax purposes please contact, Holly MacCluen at hollymaccluen@yahoo.com. All other questions should be directed to Applecross Director of Instruction, Eric MacCluen at 484.888.6611. ***Please retain this camp information sheet for future reference.**
