Dear Junior Golf Camp Parents,

In preparation of attending the 2020 Junior Golf Camp at Applecross Country Club, please take a few moments to read this welcome letter carefully and in its entirety. We are providing you with a large amount of important information that will offer answers to the most frequently asked questions and help make attending golf camp a more enjoyable experience for everyone. We also ask that you do not submit this letter with registration but retain this information for future reference.*

Golf Camp arrival and pickup information... Campers should arrive and depart promptly at the designated times and locations each day as the facilities are often busy due to golf outings, club events, etc. A parent or authorized guardian must always connect with a CAMP staff member upon arrival and departure and must also check the camper(s) in and out each day with a signature and accurate time noted. This allows staff to communicate any changes, answer possible questions or concerns about the day, help maintain accurate attendance records and ensure each camper's safety.

- **Camp Arrival:** All campers must be checked-in by the appropriate time with the signature of an authorized adult, note an accurate time of arrival, and be prepared for each day. You may not drop off any camper prior to the scheduled times without prior authorization from Eric or Holly MacCluen as there is often a significant amount of activity around the golf course/facility in the morning and staff may not arrive at the proper location before the scheduled times.
The Learning Center (LC) and Tregos Pavilion (TP) address: 170 Zynn Road, Downingtown, PA 19335.
 - **Early Care** – Campers should arrive at the **LC** located up the hill on the driving range no earlier than **8:00am**.
 - **Regular Drop-off** - Campers should arrive at the **TP** (large room located at the rear of Tregos Restaurant) promptly at **9:00am**. Any camper not scheduled for Early Care who needs to arrive prior to 8:50am must get prior approval and will be charged the daily Early Care fee of \$11. The Early Care fee is due at the time of drop-off or will automatically be charged to your credit card if not paid by Friday, 6pm of the same week.
- **Camp Pickup:** All campers must be checked-out by the appropriate time each day with the signature of an authorized adult and noting an accurate pick-up time. Please remember to always check for all your belongings before departure.
 - **Half Day** - Campers are to be picked up from the **TP**. Please arrive promptly for pick-up by **12:00pm**. Any Half Day camper picked up after 12:10pm will be charged for the Bonus Lunch Hour option that day – the \$8 fee is due at the time of pick-up. This fee will be automatically charged to your credit card if not paid by Friday, 6pm of the same week (you won't be charged if campers have not returned to the TP by 12:10pm). If your camper is staying for the **Bonus Lunch Hour**, please arrive promptly by **1:00pm**. The same 10-minute grace period and \$8 late fee applies.
 - **Full Day** - Campers are to be picked up at the **TP**. Please arrive promptly for pick-up by **4:00pm**. Any Full Day camper picked up after 4:10pm will be charged for the After Care option that day - the \$13 fee is due at the time of pick-up. This fee will automatically be charged to your credit card if not paid by Friday, 6pm of the same week (you won't be charged if campers have not returned to the TP by 4:10pm). Also, you must let us know if you plan to pick up your camper any time before 4:00pm by noting the time in the comment section of the check-in/out sheet. Please try not to pick up full day campers prior to 3:00pm as this may cause a disruption to planned activities for the entire group. If pick-up prior to 3pm cannot be avoided, you will need to coordinate time and place for pick-up with an instructor when you arrive in the morning or call Eric MacCluen.
 - **After Care** - Campers are to be picked up at the **TP**. Please arrive promptly for pick-up by **5:30pm**. Our staff may often be scheduled to teach or assist other programs after camp. Therefore, any camper picked up after 5:30pm will be charged \$5 for every 10 minutes late after that time - the \$5 fee per every 10 minutes late is due at the time of pick-up. This fee will be automatically charged to your credit card if not paid by Friday, 6pm.

*Campers may occasionally get permission to go to the **LC** during after care time to practice until pick-up. Campers must get prior permission from Eric MacCluen to avoid any class or lesson conflicts. If all campers in After Care go to the **LC**, a sign will be posted on the Pavilion door.

What to wear to Golf Camp...

- **Proper Golf Attire:** Applecross Country Club requires proper golf attire to be worn on the course, on the range, and at the Learning Center while participating in all golf activities! Boys must wear a collared shirt tucked in. Sneakers are acceptable footwear. Please, absolutely NO t-shirts, tank tops, jeans, gym or cargo shorts (external pockets) are permitted on the course or practice facilities!
- **Sunblock:** Please apply sunblock before camp each day even if it is overcast. Sunblock may be kept in your camper's golf bag and applied as needed throughout the day. Full day campers may reapply sunblock at lunch time. It is their responsibility!
- **Rain Gear / Change of Clothes:** Golf is an outdoor sport and may be played in the elements. Camp will go on rain or shine! At times it is possible campers may experience playing in light rain. We advise packing light weight rain gear or an extra change of clothes in their golf bag as there is always a chance of that unexpected passing summer shower. Campers will not continue to practice outside if it becomes a heavy downpour and/ or lightning occurs.

Things to bring to Golf Camp...

- **Golf Clubs:** If your child has their own golf clubs, they should bring them to camp each day. Clubs will not be stored at the facility overnight. If your child does not have clubs, the appropriate size golf clubs will be provided for their use during camp each day. Also, if you do not own clubs, please do not go purchase clubs prior to camp. Most brands of clubs available at the large chain stores are too heavy for the average junior golfer. If you later decide to purchase clubs, our experienced staff can guide you in choosing the best length and weight of clubs for your child.
- **Water Bottles:** It is recommended that all campers have their own water bottle in order to stay properly hydrated during hot summer days. Please make sure his/her full name is written clearly on the bottle. Water bottles can be refilled throughout the day. If you forget one, water is available at various water coolers around the facility as needed.
- **Lunch/ snacks:** Lunch is not included. It may either be brought in an insulated lunch bag clearly labeled with the campers' name or an Applecross Lunch Box may be purchased in advance at the time of registration only. IMPORTANT: No camper, member or guest, will be permitted to order lunch from Tregos Restaurant. If you opt to not purchase the Lunch Box in advance you must pack a lunch. Both Full & Half Day campers should consider packing an extra non-perishable snack (ex: crackers or energy bar) each day to keep in their golf bag that they may eat any time.
- **Additional Belongings:** Campers who bring an insulated lunch bag, extra clothing or anything other than their golf bag may leave these items in the TP during the day. These items will not be supervised.

Other things to know about Golf Camp...

- Only the "primary contact" person listed on the registration form will receive registration confirmation and camp week reminder e-mails. Please fill out the main registration sheet accordingly.
- All campers will receive on course training. However, we cannot guarantee a specific amount of time or number of times campers will be able to practice on the course on any given day or in any given week. Camp activities change daily from morning to afternoon as well as from week to week and are determined by weather (excessive heat or summer storms) and golf course availability (tee times, tournaments, course maintenance, etc.). Therefore, each day and each week of camp offers a different and unique golf experience. Full day campers will naturally have more opportunity to experience on course practice time.
- The staff person with your child at pickup may not be the person who was with your child during the day and hence may not know of their overall progress. In addition, true progress cannot always be measured after just one or two days of camp. It may take more time for some for things to "click". Also, if they say they did nothing please do not assume that is accurate. If you wish to know your child's progress you may call Eric MacCluen.
- All campers, both members & guests, must stay together in their assigned groups and are not permitted to roam about the facilities on their own during the day for any reason.

If you have questions pertaining to the golf camp registration process or you need a receipt for tax purposes contact, Holly MacCluen at hollymaccluen@yahoo.com. Please do not wait until tax time to request a receipt.

Please direct all other questions or concerns to the Applecross Director of Instruction, Eric MacCluen at 484.888.6611.

Please retain this camp information letter for future reference & share with all other adults responsible for your child during the camp week.
