

2022 Golf Season: Adult Short Game Series

Combined Beginner & Intermediate Levels - COED

Class Size ~6:1 Student / Instructor Ratio

Designed to Develop Short Game and On-course Skills for Competitive Play.

Our Short Game program will give students the opportunity to receive professional training in a fun and competitive atmosphere. Short Game sessions will enable golfers to strengthen their short game skills around the green and build confidence on the course to become successful competitive golfers. We will show you the most effective ways to lower scores by confidently and consistently hitting approach shots onto the greens and provide you with easy, consistent techniques to get the ball closer to the hole so you can have more fun playing than ever before. You will also discover shot visualization and learn to make club selection decisions. This program is 1 hour, 15 minutes in length and guaranteed to be both educational and loads of fun.

Short Game Sessions Feature:

- Various drills and techniques based on five areas of the short game: putting, chipping, pitching, flop shots & sand shots.
- New drills each week to build a library of exercises that students can practice on their own to continuously improve their skills.
- Multiple instructors for larger classes to provide students with more personal attention and allow classes to run efficiently with rotating stations.
